

Rock Wall at Birkenhead Pool and Leisure Centre

Indoor rock climbing is exhilarating, challenging, healthy and fun!

All ages, levels and abilities are welcome. Our awesome instructors will make sure you know what to do and that you're completely comfortable before you set off on the walls.

You can hire climbing equipment, and free instruction is provided for beginners.

Training wall (5m)

The 5m vertical top rope is where we teach how to climb and belay.

Top rope wall (10m)

The top rope wall is where the majority of our climbing is done. We have 23 lines with over 60 climbs.

Bouldering

Climbers are able to 'free' climb — no harness or safety rope required — to a height of 3m on the top rope and lead wall.

Lead wall (12m)

Our lead wall is for advanced climbers. All climbers must have their skill level assessed by our staff to obtain a lead licence (free of charge) to lead climb.

School holiday programmes

Make sure your child/ren has a fun, safe and exciting holiday break by enrolling them in our holiday programme. Our programmes are inexpensive and heaps of fun! Activities include swimming, sports, rock climbing, day trips, and arts'n'crafts.

We are MSD approved and registered, and families may be eligible for a full or partial WINZ Family Support Subsidy. Contact Work and Income on 0800 559 009 to find out if you're eligible.
